Subject:	New Year

Gary Hi
Happy new year to Yael and you. Nili and myself wish you all the best. Still in Chile. Far from telephone. I couldn't connect with Attia. Will have to make it in ten days. I'm in contact with Pavel re his needs and will try to help when I'm back in IL on Jan 12. Hope you enjoy the Hawaii islands. See you (early) next year.
Best
Ehud
